2018

16th - 17th March

Celebrating 60 years of Fr. Agnel Technical Complex, Bandra

Fr. Conceicao Rodrigues College of Engineering

Fr. Conceicao Rodrigues College of Engineering (Fr. CRCE) was established in 1984 as part of Fr. Agnel Technical Complex at Bandra, Mumbai by the Society of St. Francis Xavier Pilar and is named after its founder late Rev. Fr. Conceicao Rodrigues. The College is affiliated to University of Mumbai and has acquired a good reputation, among corporate and peer academic institutions, for its academic standards.

The College offers under-graduate programmes in Production Engineering, Electronics Engineering, Computer Engineering and Information Technology, post graduate programmes in Mechanical Engineering (CAD-CAM with Robotics) and Electronics Engineering and doctoral programmes in Electronics Engineering and Mechanical Engineering.

Fr. Conceicao Rodrigues College of Engineering
brings you its annually celebrated Inter-College
Technical Festival, **CResCEndo 2018**.

It is a platform for all the students to showcase their skills and originality by puzzling over the innovative tasks and events we have throughout the two days. This iteration consists some of our most loved events from last year, and adding some new challenges as well.
